## 37 Years' Experience in Alike

In 1982, I was working for a government college, a newspaper advertisement "Wanted commerce lecturer" showed me a route to this holy place where Swamy is still present. The elders of the institution Rev. Gangadharanna, Late Ishwaranna and Krishnanna inspired, guided and co-operated me in every step of my responsibilities and duties. my intention to become a teacher established strongly here, because I believed teaching is a noble profession. Throughout my career, I gave justice to my students who still remember me. In the beginning Ishwaranna he told me simply to "Concentrate over your duty, do the best to the students, they are our assets." Yes, this truth invested profitably in my working life. This Alike has given everything to me, I never imagined that, I would be principal . At this moment, (retiring on 31-05-2019) I am realizing the support given by the management, my staff friends & students. The evening of the life is waiting for me, before concluding I express my feeling that Alike has a beautiful landscape fit for international level institutions.
