First aid training to II PUC students held by K.S.H.E.M.A., Deralakatte.

On the very auspicious day of Kannada Rajyotsava (1st November), we had a delightful first aid and CPR training led by the doctors from the department of anesthesiology and critical care, K Hegde Medical Academy, Deralakatte from 6:30 to 8:30am in the morning. Dr. Sripada G. Mehendale and Dr. Murali Shankar Bhat were the leading doctors who were guiding us with the help of other doctors.

There was a marvelous explanation about first aid to be done on heart attack, which was shown with the help a video. The whole group of 150 students from II PUC were divided in to 5 batches consisting of 30 students each. Each student was able to analyze and think about the practical situation and importance of the training. The doctors trained us to give first aid through 4 simple steps. The steps were to check whether the scene is safe or not, to call for help, to check the breathing and pulse, Chest compression (30 times). This first aid training was given by using mannequins. Most of us sitting in the round were actually unaware of the first aid which was to be given for heart attack. So, it was a good demonstration done by the doctors.

Dr. Sripad G. Mehendale and Dr. Murali Shankar Bhat are our proud alumni.

As a part of Dasara celebrations, Ayudha Pooja was held on 07-10-2019 at Sathya Sai Vihar campus. Most of our staff members are also were present with their vehicles. There were more than 50 two wheelers and 30 four wheelers including institutions vehicles. After pooja, Mangalarathi was offered to all the vehicles in the presence of our Chairman sir and other elders.
