

THE ALIKE RECONNECT

FEBRUARY 2020 | ISSUE 19 - NEWS LETTER OF ALIKE ALUMNI

Sairam to all,

It is indeed was a month for all of us to cherish in view of the Mahashivarathri celebration and the annual Sai Pada pooja. Our younger sai brothers participated in large numbers. Few of the pictures are enclosed in the in the next two pages of this edition of Alike Reconnect.

What is more heartening to see is the new developments in the campus. All of us have sweet memories which you cannot forget when it comes to the swimming pool. For most of us, the old swimming pool even though a make shift temporary adjustments of a nearby stream; is a unforgettable experience as majority have stated swimming here at the same place. However now the trust has finally come up with a very nice pool of high safety standards. The picture here itself will speak volumes of the standards laid.

Its located opposite the library in front of the main road of the Alike. It is a 25 m long pool with seven tracks enough to conduct local competition between the schools. It also boasts of a Pavilion type gallery on the south side, where students can sit and watch and even learn from peers. There is a mechanism for filtering the water and adding adequate chlorine when required. The surrounding is completely cladded with interlock tiles, which will ensure clean and tidy swimming pools in coming years.

Even alumni can use it with permission when you visit Alike subject to terms and conditions of pool. Come to Alike when you feel like with your friends and cherish every moments of life at Alike.

Sairam.
