# THE ALIKE RECONNECT

DECEMBER 2020 | ISSUE 28 - NEWS LETTER OF ALIKE ALUMNI

Hi friends,

When I began to think about an answer to "How ALIKE changed my life?"

It was not easy as I can not imagine what it could have been otherwise. I honestly do not think that my life so far has much to talk about, so let me talk about

WHAT IS ALIKE?

Alike is not just a remote village, hidden in Dakshina Kannada. It is not like any other residential school, which are more common than cashew trees now! It is neither a factory that promises to turn your Kids to Ranks in the Professional course ENTRANCE EXAMS!

SO WHAT IS IT?

I can only share what is Alike for me and may be many thousands like me.

**Alike is**

**An emotion**

**A brand**

**A network**

**A cohort**

**An experience**

**A way of life**

**A melting pot**

**It is more than just 'alma mater'.**

Alike is not a physical or social entity but its like a software that drives thousands of alumni like me, even after decades of installation!! I can not think of what would have happened if I did not go through the 'moulding' in Alike.

When I entered Sathya Sai Loka Seva Institute, I was a raw village kid, with a 'frog in the well' mindset. That was a different world on to itself, where kids from different parts of the country, class, religion, social strata were treated ALIKE!

You can not really define ALIKE

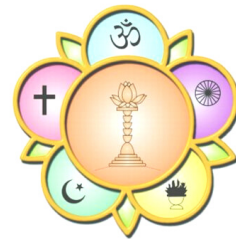

What makes it what it is may be just felt!!
